FRESH, WARM, COZY

Welcome to the fresh and flavorful world of Brewed Awakenings located in the heart of charming Hingham Center.

For over 15 years we have taken pride in being a place where friends, family, neighbors and coworkers meet to enjoy our cozy atmosphere, delicious coffee, tea, baked goods, soups, salads, sandwiches and wraps.

Our unique coffee beans are like no other.

We use only hand-picked Arabica beans from the most distinguished coffee growing regions in the world. Our roasting technique allows for the unique characteristics of the beans to reach their maximum flavor and aroma. We start with the best and roast to perfection. Please enjoy our efforts...
